About This Game

Story

The challenge of a dangerous serial killer plummets detective Lazarus Bundy's career into a chasm with no way out. In a desperate attempt at a comeback, Lazarus decides to secretly investigate the disappearance of Elke Mulzberg, the young descendant of one of the most influential families in the city.

From the sunny shores of Miami to the lush Italian hills, he will have to use all the resources at his disposal in order to reveal the truth behind the kidnapping.

And by that time he'll be past the point of no return.

Get Ready to Face A Long and Dangerous Journey.

Something obscure is crawling behind the dazzling glaze of Miami, a force that goes beyond the usual human concept of science and religion. Get ready to face a long and dangerous journey. It might be the last.
